3. Using the Programmable Search Engine

Search Basics

1. ****Enter Your Query****: Type your search terms into the search bar.
2. ****Automatic "Organic" Inclusion****: The search engine automatically includes "organic" in every query.
3. ****View Results****: Browse through the results for relevant organic products and information.

Illustration: Screenshot of a search query and results.

Advanced Search Techniques

1. ****Use Quotes for Exact Matches****: Enclose phrases in quotes to find exact matches (e.g., "organic hemp oil").
2. ****Use Filters****: Utilize search filters to narrow down results by category, date, or relevance.
3. ****Refine Your Search****: Add additional keywords to refine your search results.

Illustration: Example of using quotes and filters in a search.

4. Exploring Affiliate Programs

Finding Affiliate Products

1. ****Search for Products****: Use the search engine to find organic products.
2. ****Identify Affiliate Links****: Look for products linked through our affiliate programs.
3. ****Click Affiliate Links****: Clicking on these links will take you to the affiliate's website where you can make a purchase.
