Report Item

Features:

The license plate frame is made of acrylic with anti-uv stabilizer to prevent fading and cracking. Anti-corrosion, anti-rust and weatherproof protections for car license plate holders.
Fits most standard-size license plates. A thin border does not obscures license plate tagsto ensure street legality.
This license plate frame will prevent any letters from falling off and protect your license plate in weather conditions. License plate holders are designed with smoke bubble to prevent thieves from stealing away.
An unbreakable car license plate shield is durable and long-lasting. The license plate frame is made of acrylic with an anti-uv stabilizer to prevent fading and cracking.
Unbreakable license plate covers have been tested many times. The license plate covers are toughand will not break easily when bent or dropped.

Specifications:

Material:ABS+PC
Size:Approx.31x16cm/12.2x6.29inch
