

Instructions for medical practitioner

As of June 30, 2026

Your patient has completed Part A of their Form T2201, Disability Tax Credit Certificate and has given permission for you to provide the CRA with information from their medical records in order for the CRA to determine eligibility.

They would like you to complete Part B using the digital application for medical practitioners, which you can access here:

canada.ca/dtc-digital-application

Patient's name: JEAN-YVES LANDRY

Patient's date of birth: September 23, 1986

Reference number: **9L9YU77**

This reference number is a one-time use code that will allow you to submit the application digitally.
