To: The Right Honourable Mark Carney, P.C., M.P. **Office:** Prime Minister of Canada (PMO) **Subject:** FORMAL INTEL BRIEF: Institutional Fraud and Federal Data Corruption (RCMP/CRCC) **Date:** April 4, 2026

Prime Minister,

This correspondence is a formal notification of a systemic failure within the federal security apparatus that undermines the integrity of Canada's judicial record and violates the core tenets of **Bill C-16**.

The Anomaly: In 2016, a "Withdrawn" status for Case #33094001 was erroneously entered as a "Conviction" into the CPIC system by a **Federal Public Service Employee (PSE)**. For a decade, this data corruption was used to justify the systemic "bad-jacketing" and harassment of a trans citizen—myself, Marie-Soleil Seshat Landry.

The Fraud upon the Commission: During the adjudication of **CHRC Case #2023-0331**, the RCMP and the Civilian Review and Complaints Commission (CRCC) formally stated that this error was committed by a municipal employee of the City of Moncton. This statement was a **material misrepresentation** designed to shift the incident out of federal jurisdiction and force a file closure at the Canadian Human Rights Commission.

The Evidence: I have secured formal confirmation from the **City of Moncton** verifying that the individual responsible was a **Federal PSE**, not a municipal staff member. This contradicts the CRCC's final report and proves a coordinated effort by federal oversight bodies to provide false information to a Commission of the Crown.

Required Action: As your government seeks to "defend Canada's sovereignty and build the strongest economy," you must address the internal rot of data falsification. A "quiet correction" of my record in 2025 does not absolve the state of a decade of institutional fraud. I am requesting:

1. **A Ministerial Inquiry** into the CRCC's 2023-2623 findings and the source of the jurisdictional lie.
2. **Recognition of State-Induced Duress:** An acknowledgment that all derivative legal friction since 2016 was the direct result of federal negligence.
3. **Formal Mediation:** Restorative justice for the breach of my Charter rights under Section 15.

Next Step: Ensure this is CC'd to the **Minister of Justice and Attorney General of Canada** and the **Minister of Public Safety**.
