Summary: Marie Seshat Landry, OSINT specialist and founder of Marie Landry's Spy Shop, has launched an international indictment campaign exposing Canada's fraudulent Crown Land ownership and its systemic genocide against Indigenous Nations. With 96% of Canadian land illegally claimed as "Crown Land," this campaign demands immediate global recognition of Indigenous sovereignty and a full dismantling of Canada's colonial legal structures.

Key Points: - Canada's claim over 96% of its landmass as Crown Land is illegal under international law. - The Indian Act is an apartheid legislation enforcing cultural genocide and systemic racial control. - Canada remains in violation of the UN Declaration on the Rights of Indigenous Peoples (UNDRIP) and the Genocide Convention. - The campaign demands immediate land restitution, abolition of the Indian Act, and prosecution of complicit Canadian officials.

Quote: "Crown Land is a colonial fraud. Canada's ongoing occupation of Indigenous territories is a global human rights emergency. The time for symbolic reconciliation is over—decolonization begins with land back." — Marie Seshat Landry
