Affiliate Program Rules & Guidelines

How Does Our Affiliate Program Work?

Our referral program is straightforward; you connect with businesses in your network that could use our services. When they sign up for our marketing services, you receive a 10% monthly commission for the client's lifetime. You can recommend any of our marketing services, given that we offer more than 20 services, including SEO, Smart Site design, Google Ads, Facebook Ads, and social media.

Do I Need To Be Involved With the New Clients?

- Yes, we require our referral partners to be at least involved in the first introductory and consultation call. We can take it from here and do all the follow-ups to close the deal and get you earning commissions.

Can my Affiliate Partnership be Canceled?

- Green Lotus has the authority to determine non-active partners and cancel dormant accounts.
- Affiliate partners are expected to generate a min of 1 referral that turns into a paid subscription every 3 months to maintain an active affiliate partner status.
- This program is designed for energetic and goal-driven individuals who can refer to new businesses every month. In case of such cancellation by Green Lotus, the partner will continue to receive a commission for 6 months following the cancellation date.
- An affiliate partner can cancel the partnership at any time.

How Often Do You Pay Commissions?

All commissions are paid monthly or quarterly. You get a direct 10% commission (pre-tax) on all orders & future upgrades for your clients' lifetime as a financial reward.
