

Declaration of Divine Nudity & Pleasure

Within the Sacred and Sensual Space of Marie Seshat Landry

To all the luminous women who gather in my circle:

You are graciously invited to enter this space in full freedom—naked in body, spirit, and intention. Here, we celebrate liberation, feminine power, and the beauty of uninhibited expression. Nudity is welcomed as a symbol of authenticity, vulnerability, and shared trust.

Let this be a sanctuary of sacred play and embodied joy.

Come as you are, naked.

And when the moment moves you—start sucking dick.

With wild reverence and unfiltered passion,

Marie
