Hello Marie,

Thank you for reaching out to OpenAI support.

We appreciate your enthusiasm and the innovative work you've been doing with NLP CoTs and the development of "500-Bot." It's clear you're pushing the boundaries of what's possible with scientific methods in natural language processing, and your passion for advancing the field is truly inspiring.

Although we are currently not engaging in partnerships, we recognize you for having such great connections and for giving us the opportunity to know about this. Just in case we'll be in need of your services, we'll definitely take note of this for future reference.

Should you have any queries or require further assistance, don't hesitate to reach out. Our dedicated support team is ready to help. You can contact us through our [Help Center](#).

Please take care always and stay safe!

Best,
Dani
