Report Code: CROWNGENOCIDE-2025 **Date of Issue:** [Insert Date]

Executive Summary

This OSINT Public Indictment Report presents irrefutable open-source intelligence (OSINT) evidence detailing Canada's illegal occupation of Indigenous lands under the guise of "Crown Land," the systemic application of apartheid legislation (Indian Act), and the continuation of genocidal practices in violation of international law.

Key Findings

1. 96% of Canadian Land is Illegally Classified as Crown Land

2. Vast majority of these territories were never ceded by Indigenous Nations.
3. Rooted in the obsolete and unlawful doctrine of discovery.

4. Indian Act as a Tool of Apartheid

5. Enforces racialized governance over Indigenous Peoples.
6. Legalizes segregation, cultural erasure, and dispossession.

7. Active Violations of UNDRIP and Genocide Convention

8. Canada ignores Articles 26 and 28 of UNDRIP regarding land rights and restitution.
9. Genocidal acts defined under Articles 2(a)-(e) of the Genocide Convention are ongoing.

10. Resource Extraction Without Consent

11. Wet'suwet'en, Secwepemc, Mi'kmaq, and others resisting illegal incursions.
12. State and corporate complicity in ecological and cultural genocide.

13. International Legal Obligations Ignored

14. Canada remains in breach of the Vienna Convention on the Law of Treaties.
 15. Crown sovereignty claims are fraudulent under international jurisprudence.
