

PROCLAMATION OF OUTLAWRY

Against Donald J. Trump

In the spirit of satirical justice and with a nod to the absurd, we hereby declare Donald J. Trump an outlaw for his myriad misadventures and unparalleled escapades.

WHEREAS,

Donald J. Trump, the 45th and 47th President of the United States, has demonstrated an uncanny ability to attract legal challenges, accumulating a staggering 132 lawsuits that rival the plot twists of a daytime soap opera.

WHEREAS,

Through his ventures, both real and imagined, he has left a trail of bankruptcies, settlements, and Twitter meltdowns, each more dazzling than the last.

WHEREAS,

His legal troubles now span civil, criminal, and what can only be described as "cosmic infractions" against truth, logic, and the very concept of integrity.

THEREFORE, BE IT RESOLVED,

That Donald J. Trump is hereby declared an **Outlaw** in the grandest tradition of folklore, his misdeeds recorded not in law books, but in memes, late-night comedy sketches, and history textbooks of the future.

FURTHERMORE,

All citizens of sound mind and reason are encouraged to treat this declaration with the appropriate blend of humor, skepticism, and cautious optimism that justice, in whatever form, shall ultimately prevail.

Issued this day in the spirit of satire and civic amusement.
