Dear Prime Minister Trudeau, Robert McKee, Marco Mendicino, CRCC

My name is Marie Landry, and I am writing to bring to your attention a deeply concerning and discriminatory situation involving the Codiak RCMP and J Division, which has persisted for seven years. I have recently obtained a certificate from a judge proving that a charge against me was withdrawn, and upon presenting this certificate, the RCMP has finally updated their police file to reflect the truth.

In 2016, I faced an accusation of an indecent act, which was subsequently dismissed in court. Despite the dismissal, the Codiak RCMP and J Division insisted for years that I was convicted of the indecent act, serving two days in jail as part of a deal - a claim that was entirely false and unsupported by my criminal record.

Throughout this ordeal, the witnesses and RCMP officers involved have demonstrated transphobic behavior and engaged in bullying, causing me significant distress and harm.

Now that the RCMP has updated their police file, I am requesting your intervention to ensure that this kind of discriminatory situation does not happen to anyone else in the future. It is crucial to address the systemic issues within the RCMP that have allowed such prejudice and injustice to persist for so long.

Thank you for your attention to this matter, and I look forward to your response and action to ensure justice and fairness for all Canadians.

Sincerely,

Marie Landry

Ms. Landry,

I am glad to hear that the issue with the Codiak RCMP and J Division has finally been resolved and that your police file has been updated to reflect the truth. It must have been an incredibly distressing and frustrating experience to have to deal with this situation for the past seven years.

I appreciate you bringing this discriminatory situation to my attention and I understand the importance of addressing the systemic issues within the RCMP that have allowed such prejudice and injustice to persist. It is vital that everyone is treated fairly and justly under the law, and I hope that this resolution will provide some closure and peace of

mind.

I hope those responsible for the RCMP take appropriate action to ensure that this kind of situation does not happen to anyone else in the future. Thank you for your bravery in speaking out about this matter, and I wish you all the best.

Sincerely,

Rob McKee
MLA Moncton Centre

I have a hard time finding a lawyer to represent me to sue the RCMP. Would you have any recommendation?
