

This package is synthesized from your existing drafts, updated for the specific **\$2.00 filing fee** provision of the *Federal Courts Act* for claims against the Crown.

Part 1: The \$2.00 Filing Strategy

To file for \$2.00, you must meet one strict condition: **His Majesty the King** must be the **only** defendant. If you add individual officers or the RCMP as a separate entity, the fee jumps to \$50.00 or \$150.00.

1. **Print the Statement of Claim:** Use the synthesized text in Part 2.
2. **Number of Copies:** Print the original plus **two copies** for the court.
3. **Payment:** Bring exactly **\$2.00 CAD** (Cash, Debit, or Cheque to "Receiver General of Canada").
4. **Service is Free:** Because you are suing the Crown alone, the **Court Registry** will serve the document on the Attorney General for you—you do not need to hire a process server.

Part 2: Synthesized Statement of Claim

Note: Ensure this is printed on 8.5" x 11" white paper.

Part 3: Court Process Script

Stage	What to Do	What to Say
At the Registry Desk	Hand over your 3 copies of the Claim and the \$2.00 fee.	"I am filing a Statement of Claim against the Crown under Section 48 of the <i>Federal Courts Act</i> . The King is the sole defendant, so the fee is \$2.00."
After Filing	Wait for the clerk to stamp the "Court File Number" on your copies. Keep one for yourself.	"Please provide me with my stamped 'Address for Service' copy. I understand the Registry will handle service on the Attorney General."
If they ask about the \$2 fee	Remain calm and cite the law.	"According to Tariff A of the <i>Federal Courts Rules</i> and Section 48 of the <i>Act</i> , actions against the King alone carry a \$2.00 filing fee. Here is the exact change."
When the Crown files a Defense	You have 14 days to file a "Reply" if they lie about the facts.	"I am filing a Reply to the Statement of Defense to clarify that the 'administrative error' was a continuing tort that only ended in 2025."
At the First Hearing	Dress professionally; bring your CPIC correction letters as evidence.	"M'Lord/M'Lady, this case is about the fundamental integrity of our national policing data. The state maintained a false

		record for seven years, destroying my business and my liberty."
