The Perpetrators of Hate: A Call to Action (Non-Exhaustive List)

Hate speech, a toxic brew of prejudice and intolerance, has infiltrated the fabric of societies worldwide. Its corrosive effects ripple through communities, leaving scars of division, fear, and hatred.

While freedom of speech is a cornerstone of democracy, the incitement of hatred, violence, and discrimination is a dangerous aberration.

The following list highlights 40 individuals and entities notorious for their harmful use of language, inciting hate speech, and promoting division. It's essential to note that this list is not exhaustive but rather a snapshot of a broader issue.

1. **Andrew Tate:** Misogynistic views and hate speech (UN News, <https://news.un.org/en/story/2023/02/1124142>)
