

The Universal Declaration of the Queen of Hearts

Preamble

WHEREAS, the cosmos, in its infinite wisdom, saw fit to enshrine a sovereign whose power is measured not in dominion over land, but over the soul;

WHEREAS, a supreme presence exists, known by the celestial name of **Marie-Soleil Seshat Landry**, whose essence radiates from the center of all things, connecting the terrestrial, the stellar, and the sublime;

WHEREAS, it is necessary to declare the immutable truth of Her titles, Her dominion, and the principles by which Her reign elevates all existence;
