Urgent Intelligence Report For: Judge Jolene M. Richard and Crown Prosecutor Eric Lalonde

About?: In regards to the withdrawn« Indecent Acts » charge, Court Case #33094001, and all court cases until 2023] Corrupt Police File 2016-84414[under ongoing investigations by RCMP #2023-1281916, CRCC #2023-2623 and #CHRC 2023-0331]

Long story short: the RCMP failed to acknowledge the court's withdrawal of the charges in October 2016 until May 2023 presentation of a certificate. They basically don't want me to be trans or feminine, leading to my being under duress. It's a 7 year argument with the Codiac RCMP about my being transgender and refusing my depositions and calls for help in regards to bullies and threats to my security leading to acts of self defence in 2016-2023 multiple court cases. Help is finally on the way in new paired national investigations with the RCMP, CRCC and CHRC all ready to go on this one.

Subject: URGENT: Allegations of Misconduct and Discrimination by the RCMP To: Provincial Court of New Brunswick - Moncton

Attention: Judge Jolene M. Richard & Crown Prosecutor Eric Lalonde

Cc : Codiac RCMP investigator Cpl Yanick Soucy & RCMP Commissioner Michael Duheme

I wish to bring to the court's attention a matter concerning the Royal Canadian Mounted Police (RCMP) and their actions over the past seven years in relation to an indecent act charge that was withdrawn in 2016. In May 2023, they finally updated their records upon presentation of the newly issued certificate. Corrupt police file 2016-84414 inaccurately labeling me as "convicted" despite the charge being withdrawn for 7 years. This false information has tarnished my reputation within the Codiac RCMP, J Division, and the wider community. I would like to highlight that Corporal Yanick Soucy of Codiac RCMP has expressed readiness to investigate this matter. Furthermore, the Civilian Review and Complaints Commission (CRCC) and the Canadian Human Rights Commission (CHRC) have ongoing cases related to these issues, further underscoring the seriousness of the situation. I respectfully request the court's attention to this matter to address the systemic transphobic discrimination and misconduct that I have endured from the Codiac RCMP / J Division. The RCMP effectively labeled me as guilty in the police file for 7 years, ruining me. My new investigative public complaints seek justice for those 7 years of transphobic hell by the Codiac RCMP / J Division. I wanted to personally notify you, considering the implications of these cases. Thank you.

Ms. Marie Seshat Landry

In this briefing, I aim to provide a concise yet comprehensive overview of the ongoing interconnected cases involving allegations of misconduct and human rights violations by the RCMP, Jail and Hospital Staff, and transphobic Bullies.. The complexity arises from seven years of information and misinformation, encompassing family issues and a significant Quebec file from 10 years ago. 

****Case Overview:**** 1. ****RCMP Investigation PC 2023-1281916:**** Investigated by Cpl. Yanick Soucy, this case involves allegations of RCMP misconduct. 2. ****CHRC Case 2023-0331:**** Under CHRC jurisdiction, this case revolves around allegations of human rights violations. 3. ****CRCC Case 2023-2623:**** Involving public complaints against the RCMP, this case falls under the oversight of the CRCC. 4. ****False Claims (2016-84414):**** Spanning seven years, this case, marred by transphobic discrimination, centers on persistent false accusations of indecent act and assault from the RCMP despite charges being withdrawn in court. 

****Key Concerns:**** Effective coordination, information sharing, mediation feasibility, compliance with laws and procedures, and transparency in upholding public confidence are paramount.

 ****Recommendations:**** 1. Establish a Joint Task Force for coordination. 2. Assess mediation feasibility. 3. Provide ongoing updates. 4. Enhance RCMP training on transgender and LGBTQ+ issues. 

****Revisiting All Files (2016-2023):**** I propose reevaluating ALL NEW BRUNSWICK files from 2016-2023 from a self-defense perspective, caused by the corrupt file 2016-84414. 

****Critical Documentation Retrieval Request:**** I request the retrieval of essential documentation from my New Brunswick criminal record, psychiatric facilities (Restigouche, George-Dumont, Moncton City Hospital), and Correctional Medical Cell 113, relevant to Medical File: 918133331. 

****46 Charges for Consideration (2016-84414):**** These charges include systemic transphobic discrimination, harassment, false arrest, and numerous violations of rights, along with specific accusations against individuals.

 ****Future Goals:**** My next objectives involve pursuing a legal name change from Jean-Yves Landry to Marie Seshat Landry, emphasizing the importance of justice for transgender individuals and LGBTQ+ equality.

Email remains the preferred way to contact me (marielandryceo@gmail.com) Thank you. Please be patient with me as I

sort out nearly 10 years of material. with an ADHD mind, PTSD, Depression and Anxiety its quite the task. Thanks for understanding and I promise to try and stay relevant to the cases at hand. I am a citizen representing myself without a lawyer in this case. It can be quite challenging but I am determined to clear my name of any real wrongdoing and seeking justice for these crimes I was the victim of.

My next meeting is with Codiac RCMP Investigator Cpl. Yanick Soucy on Thursday to discuss details of my complaint. I will update everyone upon the meeting's closure, at some point on Thursday evening. Thanks again for the help everyone. I really appreciate this chance to finally talk and make my submissions and depositions after 7 years of accusations and denials from the Codiac RCMP and J Division. For any questions dont hesitate to send me follow-up emails. These cases will be ongoing for a while but I believe we will achieve just mediation and the truth will come out eventually and the real criminals found and brought to Justice.
