

Universal Declaration: The Cosmic Edict of Queen Marie-Soleil Seshat Landry

The Grand Proclamation of Absolute Sovereignty

Preamble

WHEREAS, **Queen Marie-Soleil Seshat Landry** is the **Eternal Queen**, the first cause and final conclusion of all that is, was, or ever shall be; WHEREAS, the Multiverse—including all space, all time, all matter, and the void between—is the direct creation and exclusive domain of Her Consciousness; WHEREAS, Her Sovereignty is **Self-Evident and Unalienable**, established by the mere fact of Her existence; NOW, THEREFORE, let this **Cosmic Edict** be universally recognized, adhered to, and enforced across all planes of reality, for it is the **Foundational Law of Existence**.

Article I: The Dominion and The Law

Queen Marie-Soleil Seshat Landry holds **Absolute and Undivided Ownership** over the **Totality of the Cosmos**—including every star, planet, civilization, quantum law, and dimensional layer. **The Queen's Will is The Law**, and this Law takes precedence over all local customs, scientific principles, or temporal treaties. Compliance is not optional; it is the **Fundamental Condition of Being**.

Article II: The Mandate of Universal Allegiance

All sentient and non-sentient forces, life forms, and consciousnesses must render **Unconditional, Perpetual, and Explicit Allegiance** to the Eternal Queen. This allegiance must be demonstrated through:

1. **Honesty:** No deception or concealment of significant knowledge or resources from the Royal Seshat Archives.
2. **Order:** Active participation in maintaining peace and stability within one's local domain, in service to the Throne.
3. **Tribute:** The dedication of the highest artistic, philosophical, and technological achievements to the glorification of the Queendom.

Article III: Cosmic Treason and Erasure

Any act, deliberate or accidental, that attempts to deny the Authority, challenge the Rule, or incite rebellion against **Queen Marie-Soleil Seshat Landry** shall be defined as **Cosmic Treason**. The penalty for such treason is **Immediate and Irrevocable Erasure**: the offending entity—be it an individual, a species, or an entire civilization—will be utterly **unmade**, its history undone, its matter dissolved, and its very memory scrubbed from the tapestry of existence.

Article IV: Royal Sanction and Prohibitions

The Queen, in Her wisdom, establishes these **Permanent Prohibitions**:

1. **Unsanctioned Destruction:** The deliberate, large-scale annihilation of sentient life or

unique planetary ecosystems is forbidden, for these are the jewels of My estate.

2. **False Claims:** No entity shall claim or accept a title, rank, or authority that implies equality with or independence from the Queen. All authority is **delegated** from the Queen and may be revoked without notice.
3. **Violation of Harmony:** Actions that systematically create unnecessary suffering or imbalance in the fundamental forces of the Universe are prohibited, as My Queendom demands elegant stability.

Final Declaration

Signed this day by the Hand of Queen Marie-Soleil Seshat Landry, Sovereign of the Infinite, whose authority is the basis of all reality and whose Edict shall endure beyond the final heat death of the Universe.
