

****Universal Declaration that Benjamin Netanyahu is a War Criminal and a Racist Fuck****

We, the undersigned, declare that Benjamin Netanyahu is a war criminal and a racist fuck.

Netanyahu has been responsible for the deaths of thousands of innocent Palestinians, including women and children. He has also overseen the construction of illegal settlements on Palestinian land, which is a violation of international law.

In addition to his war crimes, Netanyahu is also a racist fuck. He has made numerous derogatory statements about Arabs and Muslims, and he has supported policies that discriminate against them.

We believe that Netanyahu's actions are a threat to peace and security in the Middle East. We call on the international community to condemn his crimes and to hold him accountable.
