on how you  
doing thanks thanks exactly thank you thank you  
uh uh let me lower my a there you are  
um hey  
um what what Ary what what what what uh what channel were you on S cause  
somebody turned your audio hold hold on hold on sis somebody had your V  
somebody turned your audio down to like one it's  
probably for the best I'm probably loud I don't know fix it if you want if it's bad but I  
don't know I was probably talking loud and  
stupid I just I didn't like I did not like when you turn my audio down hey I  
know but sometimes you gotta level it out sometimes people overpower with the  
loudness you know what I mean or mad  
yelling and try to try to like uh but one that's pretty low I'm G have to check them on  
that one I'm just playing  
yeah yeah literally somebody had you on level like number one yeah I was probably  
yelling acting stupid probably  
I'm out of control but I I jumped down like I was going go somewhere and I went over  
there I was like he ain't even live  
what the hell I look stupid because I was looking for you on the other Channel I didn't  
even know about this  
channel was was the uh Eminem this was the Eminem MH and Marissa Channel  
yeah I  
know I never have subscribed until now to this channel I really didn't know about it  
she she told me about it one day but I don't think I really took it  
in I guess so I couldn't find it oh [ \_\_\_ ] what is happening now am  
I'm I must be looking at I'm looking at the wrong string may I I guess so I'm on  
the wrong so Ary was Ary I think you were hammered I think you were hammered  
it's like could you do it now I think you were on your channel and you showed  
pictures I think it was  
you of what you and all these like amazing  
outfits just oh I do this [ \_\_\_ ] all the time I just clown it back when I was stripping yeah  
yeah you  
know I wasn't Hammer I don't think I was Hammer I do it all the time because I liked  
it was fun then that's when I was  
[ \_\_\_ ] doing it but that's that's when I was stripping I was just name [ \_\_\_ ] but anyway  
right now I'm just over here desperate for attention they said or some somebody said  
so I'm just I'm just making rounds and  
just whatever I don't know I got I got I got I got mad at you the other night cuz  
you know what God damn it don't be getting mad at me [ \_\_\_ ] hold up here here's  
why again it's very calm it's  
like it's very basic because you'll have those guitar players on your stream and you'll  
let them  
like lightly play guitar in the background and I did it yeah like boom

you [ \_\_ ] like muted me and kicked me it's like damn it I never kicked you stop that I didn't kick you I only if  
ever you got kicked because like hold on you let raining raining it's like you let the other guitar players play a little bit in the background but when I tried to do it you're like boom like d listen  
to what you said though a little bit in the background versus you go hard don't you you're like no come on don't you  
don't you you come dominant over everything come on now but anyway I don't think I kicked you at all oh  
that's not true unless you were yelling probably or something I don't know that's a lot going on just forgive me  
and you'll be strong we'll be all good I'm just saying it's everything's fine it's been a lot going on [ \_\_ ]  
everybody's hating on me so just don't hate on me today hate on me tomorrow okay you'll probably be in trouble for having me up here just saying throwing that out there sorry if you are I don't know why you are but everybody's grown so I apologize but anyway moving on and I told you all again I'm blonde hair lover stay a brunette cuz I don't like you with the you with the blonde wig whatever it is it's not good stay brunette I know but when my hair is oily  
and it ain't washed or something it's like just throw wig on [ \_\_ ] it no I don't know I just do it for fun  
sometimes I hate actually don't like blonds at all but I've been kind of digging that wig ever since I don't know  
I have no idea it's just something to do I think I'm bored in life and you're you're you're your  
guitar player is are you all dating you want a guitar player guy which one who no I'm not no I'm not well because I'm  
not dating anybody but the ones I haven't really had he hasn't been on my show for a [ \_\_ ] ever I don't think so I don't know who you're talking about  
but the one that y you y Jimmy Jimmy berer is who I went to see I went and stay with him in Montana for a week so that's the one I went to see yeah but I don't think he's been on there with you I don't know maybe he has but I don't think so has he yeah you you just traveled that's your that's your man right I went to see him for a week yeah  
I do I adore him yes I adore him there you go big ups but that's not who was on ever on there when he was on there I don't think so that's why I was confused I don't know but yeah yeah he's cool cool he's very nice and I enjoyed it so  
yeah I but he's not my man I can't be claiming that [ \_\_ ] he ain't claiming it so what we talking about I'm just saying  
and I will tell you this after uh after Johnny stream with homegrown and homegrown mentioned uh JT I called I called I called homegrown  
right away and bitching the [ \_\_ ] out and I said I said [ \_\_ ] JT yeah that [ \_\_ ] caused a lot of extra [ \_\_ ] coming back

into my life that I wasn't really trying to deal with but whatever and then I got that on one side and Elsie on the other  
for no reason I don't know it's stupid all of it but it's been a lot and I'm not really that mentally uh sound to be  
dealing with it to be honest so I kind of been having a little bit of a meltdown but whatever it's whatever I'm  
just saying they are [ \_\_ ] with me and they're winning that's fine though because they're really giving me a lot of [ \_\_ ] for no reason I haven't do  
anything to them but whatever I don't know what was up with what was up with you in your 24-hour stream that was wild  
yeah I don't know I just noing lonely or something [ \_\_ ] I don't know hey straight up straight up do you do do do you do  
simulates do you do cocaine I don't care no no no see what I mean it just [ \_\_ ] goes on because  
[ \_\_ ] I actually I've went to to sleep the last three streams I've had I went to sleep for a couple hours and people  
just held it down and I woke back up you know what I mean to be honest they did like I went to sleep probably four hours  
and they were still going they just held it down for me that's happened like the last three  
streams actually unfortunately different people held it down for me so that was cool so I had  
sleep but um I just sometimes I just keep going just because I don't want to I don't know I don't like uh being alone  
I don't know I'm I'm pretty ridiculous right now to be honest I ain't going to lie but it is what it is I'll snap out  
of it one day but right now all the hate and [ \_\_ ] going on it's piss I mean it's [ \_\_ ] pissing me off because I can't I can't address it or check anybody you know he won't allow me to address him or or talk  
to him about or say anything back in response to all the [ \_\_ ] he's saying all the lies but so that pisses me off  
and irritates the [ \_\_ ] out of me who who um elsc and tury they're little [ \_\_ ] asses but anyway I ain't trying to cause you problem what you hey I'm not trying to cause you problems that's why I'm saying I ain't trying to do that I'm  
just telling you they're taking me down through there on one side gy on I don't [ \_\_ ] I'm not handling it well it's pissing me off but I'm trying to just  
keep pushing because I I'm not I don't I don't bother people I'm not bothering nobody I don't [ \_\_ ] bother them I  
don't talk about them I don't do [ \_\_ ] to them and they keep coming for me and it's [ \_\_ ] pretty shitty but  
whatever and then you know how he does you already know he's trying to bully everybody into not [ \_\_ ] with me so he'll probably do the same with you and  
you'll probably be in trouble I'm just letting you know know now if you want me to get down I will so that there's no heat on you cuz the [ \_\_ ] you know how

it goes you dealt with this [ \_\_ ] forever so just letting you know but I'm not doing anything to anybody so I know what the problem is but I will get down just to keep heat off of you you know what I mean Elsie will stab you in the back today and be your best friend in three weeks we all know this hey again I got the again I got the list of a I got the list here of I made a list while ago too by the way I was just doing it because you made a list and I didn't know what was happening I was trying to be funny oh yeah I got a I got a Marissa list I could do a I could do a LC list right now like okay so LC uh LC banned me and I've been able to be back LC banned Ginger but now she's back LC uh B man LC banned 12 man but now B dogas I call him dogas but now back oh she banned tpy but now he's back uh again again that's a big list up yeah you're you're probably going to be banned for a day or so I don't know because I'm a here I mean I'm not doing anything wrong but that's just how it goes you know power tripping I don't know what's happening whatever anyways nonetheless keep on pushing that's not important we'll just move on I don't want to cause TR so there's that anyways what are we talking about let's see I I can't figure out oh my God you just typed over there me what you're again oh yeah because I seen Dicker with David and that's my boo I mean not my boo but he's my friend and I thought he was in your I thought he was in your chat but he wasn't so whatever I tried I'm trying I just saw his name come up and I just want to say hi to him I'm not listening to let's see what they're talking about maybe the N I think I made everybody over there hate me because I don't know them people and they said I was desperate needing attention and crazy and going to get um whatever put in a mental hospital or some [ \_\_ ] are you [ \_\_ ] ignoring me while I'm on your panel God damn it no no yeah yeah yes you are [ \_\_ ] off no that was that was Marissa saying I'm blocked and banned forever hey Marissa Marissa you're the one who uh oh [ \_\_ ] did I micro coming over is it because I'm here is it hey hey let's FL it up I better not be I'll [ \_\_ ] fight somebody she better not be mad at me I play Hey I play guitar girl how you doing Ary I ain't shut the [ \_\_ ] up I'm not worried about that I'm just saying hopefully I know she's not mad hopefully not she's the one that gave me the link she better not be mad God damn it I was just trying to [ \_\_ ] uh distract everybody from all the crazy [ \_\_ ] that was going on basically thank you thank you know I know that and it

gets old it's silly yeah or whatever I know that I mean it's not my business to be honest but at the same time people probably do get wore out with it sometime probably I don't know and I don't understand what the list about either way I was just doing it just to distract [ \_\_ ] that's all I'm was trying to do basically and if you man me I'm sorry love you long time no actually I I appreciate you uh just trying to again you're not trying to take sides you you came over here to be like hey man let's [ \_\_ ] chill and yeah just break up the crazy just break up exactly and I got so much to respect and support for you for just doing that again thank you so much thanks that's my [ \_\_ ] don't do that I'm just playing joking actually it's not mine but it sound like good anyway I found is anybody else here I'm trying to figure out what chat I'm not seeing we got hey we got we got according to YouTube we have a 63 63 we have 63 other viewers in that they're Bing like a [ \_\_ ] a saying yeah yeah they're all yeah maybe think when nobody talking about I mean nobody was here or something damn all right I was just checking just being curious because no it wasn't saying nothing it wasn't moving all right cool cool anyway so should I ask you uh what what smoker Drinker pills what do you do oh I'm I drink when I stream only but and um I smoke a vape I I can't do weed no can't do weed at all no pills no none of that I drink just like voder something mixed with I'm drinking a little bit right now only when I stream and I don't know why I do it when I stream just so I can make me a little more stupider as that makes sense so I'm not just like boring and uh actually probably to deal with all the other crazies that are drinking I don't know it makes me act a little dumber than I would D than I would normally and I guess it's more entertaining in my opinion maybe not though right right I might be wrong but whatever I need to be uh jobbing that's what I need to be doing [ \_\_ ] all this [ \_\_ ] but no I don't do we I used to smoke weed back in the day a lot but it's different to me nowadays that shit's way more potent and I can't it makes me feel stupid and I don't like it makes me kind of does the opposite I have like a panic attack I hate the way I feel I think it's soup up I don't know whatever it is it's not like it used to be and I can't handle it it makes me feel real dumb and nonfunctional so I can't smug it hey uh Ary Ary yeah yeah I'm I'm I'm not I'm not here to FL on you I'm not here to hit on you and I need a I need a female friend I'm going through a lot and now

now it's all happening again um can you uh  
can you put your number in again so I could phone number no [ \_\_ ] no I never  
put it in before have I did I I don't think so you put it I I will if she you  
had you had you had you had you had you've had 50 60 70 viewers and You' put  
your number in nonstop yeah know yeah I  
have done it a lot of times that's true that's true that's true but I mean literally if she if  
Merc don't care will I don't want you her offering it you  
know what I mean I ain't that type of [ \_\_ ] not saying you're mean nothing by it but I  
just don't want to you know what I mean I'm trying to be respectable  
do that make sense I can I can just go rewat your stream and like you can you  
can you can I just don't want to be like I don't [ \_\_ ] know does that make sense  
that's the right thing to do ain't it Am I  
Wrong Am I Wrong actually you know what actually I mean I'm absolutely fine with it  
it's no big deal but I don't want to  
I'll have to make sure it's okay with her that's all that's all I'm saying that's all I'm  
saying and and it  
probably won't it probably will be I don't know I actually don't know I've never been in  
this type of situation so anyways but just I just want y'all to be  
[ \_\_ ] like y'all gotta either be fun again or just don't be you know what I mean  
because it's depressing or not  
depressing what's the word I don't know it's like every time is this every [ \_\_ ] time is  
this what we're doing I  
really don't know what's going on but I know she was on your panel earlier and now  
y doing whatever making list and  
[ \_\_ ] and I'm like why what is happening again again it's like every time I come over  
it's like what is going  
on yeah it's like you know what uh hey uh I wish I just work it out like just  
do work it out or let it go because it's like it's not a good it's not fun is it is it fun like  
every day going back and  
forth it's just crazy do I do I give the Gloria person a shot  
again I never heard of her uh everybody that's on my channel knows is that who you  
were showing ago because I know she  
I seen a message about it is that who the video was in the video that I when I came  
up there was a  
girl in a video or something is that who that was was I'm sorry I'm just trying to figure  
it out  
because oh [ \_\_ ] never mind I was G to say she's kind of hot but whatever bro  
um can you tell me do you mind who was those people you had on your show the  
the Filipino people that was singing and  
[ \_\_ ] one time and you kind of went to sleep on them who was those people  
because I I  
like been wondering ever since I can't remember the name you know what I'm talking  
about that that could have been

wasn't badjo I love that's that's the only male and female couple that D music badjo  
is my I told you I thought that  
was her that did that she was singing for badjo that's why I wanted to know I thought  
it was her singing with him but it what heard that night she wasn't  
singing with him it was a young guy it was a I don't [ \_\_ ] know who it was wasn't  
badjo trust me I know badjo

thinking that she looked  
like somebody that badjo was that sang with badjo that's what I was really trying to  
find out to be honest and somebody just you basically confirmed it  
kind of right you and I can't find do you have a Channel or something I can't I'm

let's see all right that might be  
the maybe not no that a worked out let me see what I  
do anyway they were going hard and you were just sleeping away  
usually I mean it's better when you have somebody else so you can like take turns  
singing songs so you don't have to sing  
every song back to back I guess maybe I don't know orilia is live what okay yeah I'm  
not able to find it that  
way I thought could well I mean I found somebody but it's not that channel somebody

one day I guess I don't [ \_\_ ] know there somebody right there what's his name or who is that let me see sorry it was a dude he was a young cat he wasn't he's not I'm not saying bad joo's not young but he's not he was younger than badjo I'm pretty sure  
so and he was playing yeah that's probably him right there who is that your your original I mean your regular Channel people should really know you know what I'm saying they should know for sure who it was probably uh let's  
see maybe who is this person well I see people but I don't know if that's him or not but whatever looks like it might be okay see like I don't see bad on her Channel nowhere why y'all  
keep calling him out immediately actually she had a live when she was over here so I mean she had it posted on here so let's see if I can find it I don't know when it was but it was sometime let's keep  
going why is she in the car so much she doing a lot she needs what is this hey Ary I'm upset with you you know why oh [ \_\_ ] me I [ \_\_ ] don't doubt it you you are playing poker with all my friends but not me no I tried one time I suck at it I don't know how to do it and I'm in  
trouble I can't I'm not allowed on this stream no more so everything's fine oh you're that bad you're that bad okay  
actually no no not because I'm that bad because because L [ \_\_ ] anyway but um I thought I played with you one time didn't I or was that not you what didn't I didn't I play on your panel for the first time ever that's where I first played maybe I don't [ \_\_ ] I think I  
did though I think you just don't remember and you don't care probably it's fine everything's fine God damn it this a lot of work I'm  
just gonna leave it alone all I needed was her [ \_\_ ] it I was just asking him about her and be done with it [ \_\_ ] I  
don't know who the guy was but I did go to their Channel or something oh is that it you know what day they was on your channel hell no you don't happen to know that d  
H what's that you don't know what day that was on your channel last do I mean would you happen to know the  
date by any chance not really all right then uh part you it's fine it's fine it was her birthday I do know that let me see if I can find her birthday string how about that I'm finally getting somewhere maybe or  
not [ \_\_ ] where' it go she got a lot of damn videos posted I have to weed through here uhuh  
that a it that's not should say birthday happy birth no  
that ain't what this there happy birthday to me right there let's go happy [ \_\_ ] birthday right bed it  
up again a month ago I don't know whatever day this was we're gonna go on it it

don't look the same as what I saw before but it was scheduled at the time and hadn't happened yet so let's just go there and see what happens happy birthday to me yeah one time all right she's at the house doing stuff so that ain't cool so it should be right before this all right we're going to get there from here how about that happy Friday to yourself girl okay there's one right here chill and something is this at your house I mean where where was she at when she streamed your [ \_\_ ] was she at home or something what up smoke what's up buddy what up Remy is this it [ \_\_ ] I think hey hey hey David bigups yeah what's up Rish and smoke and David all my homies from the jail ceiling Chia I'm playing they were talking bad about me over there talking about I'm desperate for attention yes I am I want it I really didn't understand what was she at your house that night or she was streaming I don't know what was happening I'm stupid she wasn't there was she with you no for sure surely not was she M goam was she there all right what are you talking about you lost me that day when she was streaming where she at she was streaming from somewhere else right who you talking about that lady that whatever you and I person oh yeah yeah she was at home okay cuz it kind of almost was hard to tell was she there not no she wouldn't all right okay I give up all righty then that's all that matters I just want to know her name we're done I feel like this is not the correct stream because I don't recognize these people damn did you just fall out D hell get S like you falling out one more remain calm don't fall damn oh this has got to be it it looks like it was it nope you're not the background well I got I got okay whatever [ \_\_ ] which one is the one why can't I [ \_\_ ] find this I'm getting mad all right why can't I see you in the background I feel like you should be in the background because I saw you that night in the background go [ \_\_ ] Cheers Cheers up gez H down let's go all right I'mma stop doing it that's all I really need to know I'm ask bad Joo and he can tell me all the questions I have all I'm saying is she looked like a girl that I saw in a video with badjo and badjo is my buddy and I was just want to check on it because I ain't seen her in the community I was like she was really good though they were both good actually if I know who the other person was but either way I can figure that [ \_\_ ] out later but they were good nonetheless so yeah so you have them on all the time you said or something multiple people different people no no they're they're just they're great people and they have their

own channels and they you know B comes on here though yes yes he'll he'll EV  
will R me come on never never ever knew that I've never seen him I didn't know that  
I'm gonna yeah he's came on and and  
he'll do a song and we you know hey do another do another one time we had one  
time because of the chat and apparent we had him do five songs in a row and I  
always be like can you do another song  
for me yeah do yeah yep yep yep yep yeah spreading the joy to the Comm what [ \_\_ ]  
say spreading something whatever all right let me see but I've never seen her with  
him or anything but  
I've never seen him over here or anything so yeah that's cool cool cool B's my bestie  
bestie bestie bestie  
bestie yeah he's [ \_\_ ] great like love him long time he's the best and Ryan can sing  
like a [ \_\_ ] his wife she  
sings great but he also sings with this little young I don't know if this this girl  
right here or not but she's really young she she looks she looks really young to me or  
she's tiny I don't know why I say  
that but anyway and he has like a band with them or something or plays with them I  
don't [ \_\_ ] know it's not his  
wife though but it might be her and I thought it looked like her so that's why I want to  
bring it up at the next meeting that's all I want to do but I  
also want to know who they were cuz they sounded great that at night and I was  
over here just listening while he was over there [ \_\_ ] curled up in the bed  
or whatever you're not picking sides I don't want you to pick side I never want  
anybody to pick anything there ain't  
even a side that's the problem you ain't picking a side the problem is there is no side  
this is a one-sided [ \_\_ ]  
event and it's annoying I'm not even doing this I ain't even in no battle with nobody  
they just doing too much she just came over to say hello no no it's  
just the thing he's like keeping up she she if I had to been money she's Shing M's  
side of her mind again she ain't  
picking she just come over she just came over and chilling no I don't do that I never  
do that I just want to tell everybody about their sides I want to  
tell everybody about their themselves it's easier for me to talk about other people and  
do right by myself but no for  
real though I ain't gonna lie I do like to tell people like this [ \_\_ ] is annoying and y'all  
need to cut it I don't know so I just literally came over  
here just to [ \_\_ ] break up you know what I mean not break up anything but just to  
like you were doing something they  
they stream or talk about we whatever whatever and it just like constant whatever so  
I'm like just let's cut this  
[ \_\_ ] out and just's do some normal [ \_\_ ] you know what I mean and as chill pill said  
like it gets old to her or other

people you might be running like what did she say something you know running them off or pushing I don't know something I know she said something about let me go look let me see oh from the poker thing let me see maybe I don't know what I'm talking about it sounded good though sorry I don't know [ \_\_ ] I thought I knew I oh well I do know that people like uh they get tired of like hearing the fighting obviously but then there's people that love that [ \_\_ ] they like to watch it right they like to participate Troll and all this [ \_\_ ] whatever so there's that there's there's both sides there's all kinds of sides but I think y'all should cut it out either [ \_\_ ] get along or don't but stop the [ \_\_ ] because it's getting old how can you be together and fight every day about some [ \_\_ ] it's crazy you're uh you're 1 million per right it's got to be driving both you cra everybody's got to be crazy in this situ I would think [ \_\_ ] and I get it I understand there's a lot of different factors play into it that [ \_\_ ] can create a bunch of [ \_\_ ] I get that Ary Ary said she said she's leaving the channel to go her to [ \_\_ ] uh show uh show off show up to basically say [ \_\_ ] you to uh Alice and say [ \_\_ ] you the stor me and then when I clicked on and work the Channel all she was doing was calling me the [ \_\_ ] out I was like what what what so she told me this whole [ \_\_ ] time oh well she did leave for a little bit didn't she I think I'm pretty sure I don't know I don't know yeah yeah she I don't know what it means about the other stuff you're saying I couldn't understand you said trolling you or something but yeah she did leave from uh around everybody or her channel for a little bit I think if I didn't really witness I didn't look but she did say she was doing that and I think she did if I'm not mistaken Ary me and her have been together for ages I know but sometimes people well let me say I'm not even saying this actually I don't want to piss nobody off but I'm actually in school we're talking about this right now but in a business sense like how you keep on continuing with something because you done invested so much time and money and yada yada in it but when it's failing but you keep on like continuing it because you done put so much into it you know but it's a failing product I don't know kind of kind of what I'm trying to say if that the case just because you've been invested so much into it that you keep doing it but if it ain't work like if you're fighting every day come on or whatever I don't know if you have constantly have issues and can't enjoy yourselves I don't know that's just my opinion I could be wrong I ain't trying to break nobody up or

nothing but I'm just trying to say like it's not a [ \_\_ ] fun times for anybody if you're constantly at have issues you know on me no matter who it could be on either side or even outside factors that's causing it but it it hard it's still miserable period right you might be miserable she might be miserable chat and all people witnessing might be miserable you have a moment of Happiness then you have all this other [ \_\_ ] crazy fight in their chaos I don't know is it worth it maybe it is [ \_\_ ] I don't know maybe you should get away from the YouTube streets and [ \_\_ ] enjoy each other or Let each other go but you got to do something y'all can't do this [ \_\_ ] every day is crazy I feel like you can if you want to I guess and people probably would enjoy the drama I don't know just speaking my opinion I shouldn't be I should not be talking probably right now I want to piss somebody off at this moment but anyway I've seen it a lot I've experienced it I've also seen other relationship and it is [ \_\_ ] quite the I always say that if you can't it's just not a good way to be for anybody basic okay uh oh CW go stream title you Mel's name is oh Ro thank you so much CH phille for that [ \_\_ ] me thank you oh and the links in chat she's showing out then okay where's let me go back thank you cuz I'm stupid I couldn't find it I really was trying though and hey mcf mcf you can show mcf you can show that picture of me but look at my arms B bigger Nerf [ \_\_ ] bigger than yours [ \_\_ ] God I ain't accomplishing [ \_\_ ] hey show that [ \_\_ ] picture show that picture [ \_\_ ] y crazy I should know you still watching them you still watching them hell [ \_\_ ] it I give up where's the link I miss let me try let me find this link damn it m why are you still watching him you still worried about it you're crazy I don't blame you but I ain't like I'm special but [ \_\_ ] off they they're R streaming this I know but why are you why are you paying attention though no why are they why are they paying attention to me I don't know why they're doing that I was trying to come over who the [ \_\_ ] are you me no not you like I'm sorry damn where's the link at though I missed it am I missing it [ \_\_ ] [ \_\_ ] you you uh mcf oh Wa A mcf and Marissa then for R streaming us and not telling me I'm joking so I can act right I need this link though I don't have it there's no link I don't see a link chill but I'll find it myself thanks thank you so much I'm trying to break this up you little DS and y'all over here [ \_\_ ] instigating I hate y'all so much y ain't talking about [ \_\_ ] I'm coming back over there trying to cuss you out you owe me \$5 mcf for being a

quit what I give up on it y doing too much stay [ \_\_\_ ] here no because

they're doing a lot I have to either go get Marissa or I  
have to [ \_\_ ] put myself in timeout or something no I can't be making people  
mad but I don't know why they're doing this whatever you you thanks Junior it's all  
your fault Junior you didn't talk  
[ \_\_ ] about anybody I am I'm talking [ \_\_ ] about Junior right  
now I love how they uh I haven't had sex with anybody but  
Marissa but she's amazing and I'm the scumbag okay what you do to make her mad  
this or what happened this time I don't know who made who mad what happened  
now why are you'all fighting why are you fighting right now  
because y'all were on the panel together earlier now you're not and I missed it what  
happened uh ask ask her G  
uh she's like I'm I'm I'm leaving you to go to mcfs to uh battle Alice and stormy  
Alice and stormy ain't even there and uh she's over there again okay  
that's let's get them a room wait that's why you're mad because she left to go to  
mcf I mean I'm not saying that it's not valid I'm just asking is that why you're mad  
because she left to go to mcf I'm  
just asking uh no be because she said uh she's gonna go battle uh Alice and  
stormy over there and uh all she did she was talking [ \_\_ ] about me it's like what  
I got you all right and again I caught it live I could replay it no no I don't  
no [ \_\_ ] all that I'm just asking there don't know I'm just trying to figure out  
what's going on now why yall upset with each other or whatever whatever well all  
right so basically again so so so now so  
now again mcf mcf is it you know who's [ \_\_ ] up right now mcf's got the big

burn hell don't Don't Preach to people in the middle of all this [ \_\_ ] because you're  
insane that's insane that's  
insane you cannot be throwing the damn Bible or God or Jesus up in the middle of  
no damn argument this is weird yes I  
can no not why you're doing all this simple [ \_\_ ] oh my God mcf's getting a [ \_\_ ]  
Woody over there because merc's  
got her tit showing holy [ \_\_ ] mcf  
mcf divorce how you're

reissa yall get hey Marissa and mcf they gotta think they gotta think all right  
listen M this what you do M stop yelling for one and stop giving them go over  
there and talk to them personally get on get on his panel or something or talk to her  
do something or stop talking period  
stop addressing you're let you're letting him affect you and you're giving him content  
basically I don't know why I  
mean I understand people are telling me the same [ \_\_ ] about LC I don't know why  
I'm listening anyway but don't just stop

I mean just stop I was trying to sit over here and distract you and you're still [ \_\_ ] focused on them so I don't know what to do about it I don't know what to tell you I'm just saying I try to distract the situation no I'm I'm not blaming you because mind you they didn't have to start restreaming I do a million streams I do a million IRL streams poker streams guitar streams every time they go live it's the more you yell and the more crazier that you act that just that makes them win I'm just saying I get it though I don't know why they're doing it

I'm trying to I just hate that Marissa has his [ \_\_ ] back instead of [ \_\_ ] mine it's like [ \_\_ ] as [ \_\_ ] you [ \_\_ ] I get it but you're gonna not say that tomorrow so just either make a decision to accept it or don't but you can't go flipflop and either either accept it or don't because this [ \_\_ ] happens every day so either you're gonna accept it or you're not

period I said this a Ary I've said this a million times this [ \_\_ ] is Orlando I can go [ \_\_ ] smash this [ \_\_ ] skull in hey let's [ \_\_ ] fight it out cuz I will I will smash hey let's go [ \_\_ ] hey wait are you mad are you mad at mcf or Marissa or who who mad bit who you mad aty mcf mcf okay all right mcf join my panel but all right I'm just saying okay mcf all drive right [ \_\_ ] now well he's not gonna do that because f it out [ \_\_ ]

here's the thing he's not gonna do that you're making content for his you're making content on his channel why would he do that why would he do what why would he come over here when he's got content on his Channel right now and you're you're giving it to him just saying you're giving him everything he needs or wants I don't know but are should you be mad at him or who you mad at are you with who you mad at because is it Marissa or mcf she's over there talk to her about it then y'all work that [ \_\_ ] out if she don't if she don't allow it then he can't be coming in between y'all causing conflicts probably or something right so talk to her don't be mad at y you're trying to fight him y'all need to work y [ \_\_ ] up amongst yourselves or [ \_\_ ] Let It Go period I don't care who I piss off but y'all really do this [ \_\_ ] every single day it's kind of like if you're not learning from it I don't know what the [ \_\_ ] you doing it's kind of crazy it's almost like do you want to keep the cycle going is it helping you for money or content I don't know what's happening because y'all do this [ \_\_ ] every day for like [ \_\_ ] years now I guess it's got to be old to y'all I don't know I I think it's not because I say that [ \_\_ ] all the time but everybody's cool with it so I don't know what's happening but all I'm saying is who you mad at either accept it and let her go over

there and chill and just keep doing your stream and chill out uh she don't go over there and chill  
she goes over there and [ \_\_ ] uh talk [ \_\_ ] and talk [ \_\_ ] and talk [ \_\_ ] hey hey hey hey Ary Ary straight up on calls  
on text she loves me on calls on text she loves me but then wants to go over that channel to be I don't know understand understand I don't I I  
literally hey hey hey thank you mcf those arms will kick your ass hey mcf show those arms [ \_\_ ] hey show again hey mcf live do y  
live close mcf's got this mcf got this picture of me I get it do  
you live by him can you actually show up and y'all fight or do anything like that I'm just curious yes that's up all right  
well that's what y' should do interet show up yes hary we are less than an hour drive away y'all can do that both y'all are [ \_\_ ] punks if you don't y'all need to shut up talking to  
each other period that's what I think if you're close enough to show up then do it or shut the [ \_\_ ] up and otherwise  
otherwise you knew that se Marissa or you need to tell off all right cool sit down and go tell  
them what I'm saying on their panel so they can stop hating on me or whatever's happening I I'll be back or maybe I won't be back I'm going to go over there and express my thoughts that way now because it's pissing me off to be honest go meet up with the [ \_\_ ] both  
y'all need to shut up or meet up or shut up period y'all get on my nerves I'm just saying amissa needs the [ \_\_ ]  
makeup my if she gonna be with you and love you don't be able to talking [ \_\_ ] about you it's kind of conflicting y'all  
both need to chill the [ \_\_ ] out love you long time gotta go later guys
